## Self made health & safety signs, signs and labels

Print your own temporary signs using our self adhesive pocket or use products from **Brady** and **Vista** which allow you produce signs on demand in different ways. Use them in conjunction with custom and standard signs. There is lots more to see. To browse these sites just click on the logo's or [on line](#)

CLEAR SELF ADHESIVE SIGN POCKET IN A4 & A6 SUITABLE FOR PROTECTING TEMPORARY PRINTED PAPER HEALTH AND SAFETY SIGNS AND NOTICES

**Brady** machines make the sign for you using thermal printing technology and it can be used by itself or with other items to complete the safety project. A full range of consumables available. [Click an image to connect](#)

examples

**Vista** provide the frame that holds the sign which can be as simple as a paper print. Frames and layouts are manufactured in any size as well as standard formats. Frames come in natural, gold and black or to special order. [Click an image to connect](#)

examples

Paper will fade in time and we offer to print and / or design your requirements printed onto special paper up to 1300 mm wide. Printed in full colour with long lasting ink. Our printing service is of course available to you at anytime.
