SIGN POCKET Range

Protective covers for your important notices, signs and documents.

A durable, self adhesive, clear, PVC pocket with tuck in flap. Used to protect printed paper notices, certificates, emergency safety signage etc. We can supply the sign by email in pdf format for you to print yourself. Being double sided they can fit to a glass window, a wall, to the counter etc. A solid backing board can be provided. Made to special sizes if required.

Sign Pocket Product detail

Currently we produce pockets that fit A4 and A5 sizes with the opening side being along the short edge. More sizes may be added. Supplied in packs of ten. Special sizes can be made to order. Strong backing panels can be supplied.

A4 size 305 x 218 over all ref SP00006
A5 size 220 x 156 over all ref SP00007

Application tips

- >Put the flap inside before sliding in the paper.
- >Then put the flap in front of the paper but inside the pocket.
- >Remove or fold only part of the backing paper prior to application. This allows alignment.
- >Use upside down in wet weather environments.
- >If required seal opening with sellotape to prevent unauthorised removal.
