In House Manufactured special Sign products

Designed and/or manufactured in house.
Made to order as required.

PWG make permanent or portable muster boards to hold any card numbers. Also muster wallets. These are produced to order in any quantity and any layout.

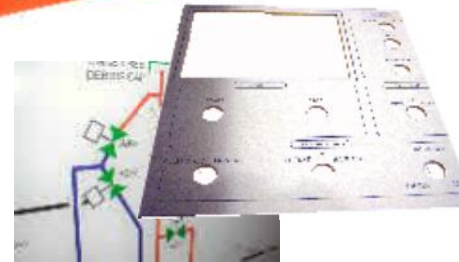

This board shows the increasing number of days without a lost time accident. Encouraging departments to get the best score.

PWG use the latest CNC techniques to manufacture their products. This includes profiled parts in many types of plastic.

Floor graphics of any design and size

PWG manufacture a number of types of control panel in plastics and metal. Some can incorporate full graphics.

This clear, self adhesive pocket with sealing flap in A4 and A5 sizes can be used with paper prints for temporary signs.

These barrier signs enclose a rope or chain barrier at the top and are designed to be self explanatory

PWG make badges in standard sizes and specials in full colour

PWG make special boards. This one holds "T" cards
